Multicultural Association excited to host their 2024 Multicultural EXPO

The Multicultural EXPO is set bring diverse cultures back into the spotlight in February 2024

Fort McMurray, AB/January 8, 2024 – The Multicultural Association of Wood Buffalo (MCA) is excited to announce their annual Multicultural EXPO will be returning for all to enjoy diverse cultures this February 3, 2024.

The event will be held at MacDonald Island Park's CNOOC Field House and will feature a selection of diverse cultures from all over the world throughout the day, featuring cultural cuisines, performances, music, art, fashion, family activities such as henna and facepainting and much more for all to enjoy. This is a perfect opportunity to come out and experience the best of multiculturalism within the Wood Buffalo region.

In addition, the event will also be seeing a return to last year's Welcome Fair, which will feature local services and information for newcomers to the community. This portion of the event is an excellent way to get acquainted with local service organizations and community groups to help get better situated in the Wood Buffalo region.

Interested in participating in this year's event? The MCA has multiple opportunities available to those who wish to be a part of helping put on this event. More details can be found by visiting www.mcawb.org/multicultural-expo. You can also keep up to date with the latest EXPO news by following the MCA on Facebook and Instagram (@mca4wb).

This event is the MCA's annual flagship event that originally launched in February 2011 as a way to celebrate the diverse cultures that are represented within the Wood Buffalo region. This year is MCA's 13th annual Multicultural EXPO held in the community.
